1. CONTRACTING AUTHORITY

The Contracting Authority is PPA SA.
Address: 10 Akti Miaouli St.,
185 38 Piraeus, Greece.

2. SCOPE OF TENDER

Piraeus Port Authority is seeking proposals from qualified Candidates, or legal entities, in order to replace and upgrade the network infrastructure.

In specific the project includes the replacement of 50 existing network switches, deployment of 15 new switches and replacement of 2 internet firewalls in various network nodes and the data Center, within PPA area:

- 8 × 24-port Access Switches – Type 1
- 49 × 48-port Access Switches – Type 2
- 4 × Datacenter Management Switches – Type 3
- 4 × Optical Distribution Switches – Type 4
- 2 x Internet Firewalls
- 1 x Log Analyzer

The Network topology architecture is based on star network topology.

The current LAN infrastructure includes single or multi-mode fiber optic panels with LC and SC connectors that can be utilized for the purposes of this project. Additionally, the active access equipment currently in use, is capable of 1GB links and up to PoE+ (IEEE 802.3at).

If additional network infrastructure is needed (civil works, racks, patch panels, fibre optics, Ethernet terminations, switches, sfp modules, etc.), those will be provided by the contractor.

Any solution proposed must include all costs that shall be incurred in order to create a functional, secure and managed enterprise environment. These considerations must include planning, equipment acquisition, licensing, software, staging, configuration, migration, patch cords, cabling, labelling, installation, deployment, documentation, communication and coordination with other parties involved in the overall project. Any associated costs such as old racks migration, device installation costs, lifting equipment etc., must be included in the Candidate's financial proposal.

The candidates will be requested to do a detailed site survey with PPA engineers before submitting their offers, in order to understand the exact requirements.

The selected Contractor must be willing to work in a cooperative manner with PPA staff and other parties working on behalf of PPA.

3. LEGAL & REGULATORY FRAMEWORK

The tender procedure shall be conducted in accordance with:

- i. Law 4404/2016 (Government Gazette 126/A/8.7.2016), as in force, and the Concession Agreement on use and exploitation of certain areas and assets within the Port of Piraeus of 24 June 2016 ratified by Article 1 of that Law, together with its annexes, which agreement was entered into between the Hellenic Republic and PPA, under which the Hellenic Republic granted PPA the exclusive right to hold, use, manage, maintain, improve and exploit the assets conceded to it, in accordance with the terms of the agreement.
- ii. The EU General Data Protection Regulation in force (EU 2016/679) and Greek Law 4624/2019 as in force.
- iii. All relevant applicable Greek legislation in general.
- iv. The applicable PPA Contracts and Sub concessions Regulations.
- v. The provisions, terms and conditions outlined within the present Call.

4. TENDER PROCEDURE

4.1 General procedure

The tender process will be conducted in two phases:

Phase One: Candidates who meet the eligibility criteria outlined in Article 6 will submit their expression of interest of participating to this tender procedure.

Phase Two: Eligible candidates will receive additional information necessary for the preparation and submission of their offers. **The candidates will be requested to do a detailed site survey with PPA engineers before submitting their offers, in order to understand the exact requirements.**

The specific phases are detailed as follows:

Phase 1:

Expression of interest will be submitted by the candidate to the following email address procurement@olp.gr along with the following documentation until **Wednesday 01 October 2025** 15:00 hours. (expression of interest deadline)

- A. An NDA Agreement signed by candidates' Legal representative (Annex A)
- B. A Detailed Certificate of Representation from the General Commercial Registry (G.E.MI.)
- C. Candidate's Articles of Incorporation, or equivalent foundational documents. For domestic companies (Greece), this includes any amendments and the latest Articles of Representation (e.g., Government's Gazette and/or GEMI declaration). For international companies, equivalent documents according to their national legal framework, including any amendments and the latest representation documents or certificates, must be provided.
- D. Financial statements of the Candidate of the last two (2) audited financial years (2023,2024) in order to prove their fulfilment of the eligibility criterion of average annual turnover of 6.000.000 Euros or above
- E. Certificate of Registration to the relevant Chamber of Commerce, indicating business activities relevant to the present call.
- F. A solemn declaration stating that the above submitted documentation are true and accurate.

Phase 2:

The eligible Candidates from phase 1 will receive the tender technical Appendixes A, B, C, D, E after the initial deadline of the expressions of interest's submission, in order to be able to submit their offers, until **Monday 06 October 2025** (offers submission deadline), 15:00 hours, by email to the following email address: procurement@olp.gr. Onsite survey is initially scheduled for **03 of October** and can be rescheduled according to tender progress.

4.2 Suspension – Cancellation of Tender Procedure

PPA is not obliged to finally award the contract and is entitled to assign it or not, to postpone, repeat or cancel the procedure for choosing a Contractor in whole or in part at any stage, without any obligation to pay a fee or remuneration to Candidates.

Where the procedure is postponed, repeated or cancelled, offers which have already been submitted will be returned to the Candidates upon written request.

Candidates participate in the tender procedure at their own responsibility and are not entitled to any compensation for expenditure relating to participation in the tender procedure, and for preparing and submitting the tender.

If for any reason the submission of bids is not held on the aforementioned date or, if it is held but no bid is submitted, it will be held on a new date to be determined by an act of PPA S.A. and which will be announced

by posting on the Company's website. The same process can be repeated a second time.

In case less than three Candidates' offers fulfil tender criteria in order for their financial proposals to be unsealed, then PPA reserves the right to cancel the procedure by declaring it as non-successful, unless otherwise stated in the tender documents and/or the Regulation.

4.3 Language of the Procedure

The official languages of the procedure are Greek or English and all information and all documents from the Candidate or the Supplier to PPA shall be drawn up either in Greek or in English, or accompanied by a lawful Greek or English translation, if in any other language. Moreover, all written and oral arrangements between the Candidates, Tender Evaluation Team and PPA, shall also be either in Greek or in English.

5. SUBMISSION OF OFFERS - OFFER DOCUMENTATION

5.1 Submission of Offers

All offers must be submitted electronically to procurement@olp.gr email address.

Each submission must consist of a main folder containing three (3) separate sub-folders, as follows:

- 1) Participation Supporting Documents**
- 2) Technical folder**
- 3) Financial offer**

All three (3) individual sub-folders (**Participation Supporting Documents, Technical folder, and Financial Offer**) must be compiled into a single main folder for submission. The main folder should be clearly labelled with the candidate's and the tenders name.

Example: [candidate name]_offer_Network and Firewall Equipment

Each individual sub-folder will be protected with separate/different passwords which will be sent to PPA separately at each tender evaluation stage upon relevant request of PPA.

The offers' folders only (not the passwords) should be sent directly to Procurement Department by the candidates at the following e-mail: offerssubmission@olp.gr before the tender's expiry deadline with the indication: **"Offer for the Partial replacement and upgrade of network and firewall equipment due to end of support"**.

The maximum acceptable size of each electronic offer should be 30 Mbytes, while the acceptable type of offers' compression is .zip (not .rar).

On the date and time of each evaluation stage (i.e. participating documentation, technical evaluation, financial evaluation), the requested passwords only (different password for each stage) should be sent to the group email which will be notified by the PPA to all participants in due time.

Interested candidates may receive additional information or clarifications in relation to the present Tender, by submitting questions up to **three (3) days (included)** prior to the expiry of the time limit for the submission of offers in writing to PPA Procurement Department by e-mail to procurement@olp.gr

After the lapse of the above time limit no other communication or request for clarification as to any terms may be acceptable. Written responses by PPA S.A. are notified to all interested parties until two (2) working days prior to the expiry of the time limit for the submission of offers.

Any costs or charges related to the submission of the offers shall be borne by the Candidate. The Candidates are responsible for and accept the risk for any event, to include even force majeure, that may have as a result the non-timely or non-duly submission of the folder of offer thereof.

Submission of an offer in the tender procedure will constitute a presumption that each Candidate accepts the terms of this Call for Tender, has been apprised of the tender documents and information and is fully aware of the project implementation conditions. In particular, Candidates are obliged to fully apprise themselves of all project implementation conditions including all those specified in this Call for Tender.

5.2 Validity of offers

Offers are valid and binding upon the candidates for four calendar (4) months from the offer's submission deadline. Any offer which sets forth a term of validity less than the above mentioned shall be rejected. Candidates may be requested to extend the validity of their proposals by a further three (3) months period of time. It is at PPA S.A.'s sole discretion to consider all proposals as void and invalid and cancel the whole bidding process. No compensation will be paid to the bidders under this circumstance.
