SUBJECT: Clarifications (part 2) regarding the tender for the “Provision of services for the Cruise Terminal Digital Signage System Upgrade”

Interested parties are kindly requested to refer to all additional information and/or clarifications provided by PPA S.A., regarding the questions received so far in relation to the in subject tender.

The said replies constitute an integral part of the published Call or Invitation.

QUESTION 1:

“... We would like to ask whether materials/products that are manufactured in China are acceptable for participation in the competition...”

ANSWER 1:

Kindly note that products are acceptable, provided that they meet the specified in tender draft technical, security, and regulatory requirements, including compliance with applicable EU legislation (e.g. CE marking, cybersecurity, and safety requirements).

Suppliers are expected to ensure that their products comply with applicable EU legislation and align with relevant cybersecurity requirements, including, where applicable, Regulation (EU) 2024/2847 (Cyber Resilience Act).
