**CLARIFICATION No 2 FOR THE TENDER**  
**«REPAIR OF STEEL GATES OF DRY DOCKS »**

**QUESTION 1**

We would like to ask you about the following “ *in the Financial Table F.1- Item 4- Cleaning and painting ..... (gate Channels)*”

This item is not in the technical specification table. We have to propose also for this item or is by mistake.

**ANSWER1**

It is clarified that Item 4 included in the Financial Table of the tender document must also be offered within the technical and financial offers of the candidates.

More specifically, the painting and cleaning works of the gate channels should be carried out after the removal of old rubbers from the inside of the channels and before the installation of new rubbers.
