Subject: **Clarifications to the interested parties regarding the Invitation for submitting offers for the procurement of four complete sets of trolley wheels & four complete sets of guide rollers for SPP QC.**

Interested parties are kindly requested to refer to all clarifications published provided by PPA, regarding the questions received until 27th November 2020, in relation to the **"Invitation for submitting offers for the procurement of four complete sets of trolley wheels & four complete sets of guide rollers for SPP QC."**

The said replies constitute an integral part of the Tender.

Question 1:

we would need some clarifications about the following:

Only drawings for the main assembly has been provided, without any part drawings; would it be possible to get all the sub-drawings available mentioned in the parts list? such as technical drawings of the wheels, technical drawings of the shafts, technical drawing of the covers, code and quantity of bearings and seals, etc...

We cannot clearly see in the drawings the exterior bearing, Could you please specify which one it is?

Kindly note that in order to be able to offer you the complete trolley wheels assemblies we would need you to provide us with all the sub-drawings for the parts listed in the parts list of drawing TRWA03C-630X75-J392A (drawings for the shafts, covers, etc...)

Answer 1:

Drawings are not available, for further technical details (samples, photos, on site visit if possible etc.) please contact Engineering Department (tel: 0030 210 40 90 583, 0030 210 4090589).

Please visit regularly PPA SA website in order to be promptly informed about the above mentioned tender.
