**SUBJECT:** Extension and new clarifications to the interested parties, regarding the tender for the provision of services for the replacement of IGUS trolley cable carrier spare parts, cables in cable carriers and repositioning other cables on eight (8) RMGs located at Pier I of PPA.

Interested parties are kindly requested to refer to all clarifications published provided by PPA, in relation to the subject tender.

**Question 1:**

*"We still miss in the photos where the energy chain is connected and the route that the cables follow. We would like to see where energy chain is connected, the route of the cables and the entrance to the connexion box.*

*We would like also to know the type of connector of the spreader cable.*

*Could you please confirm that spreader cable has to be replaced in the 8 RTGs?*

*Also we would like to kindly request an extension of the deadline of two (2) weeks as it is being impossible for us to collect all the technical documentation required on time."*
