Interested parties are kindly requested to refer to all clarifications published provided by PPA, in relation to the subject tender.

**Question 1:**

*"..... We write you to ask for a deadline extension since we need more time to develop this project accomplishing demanded requirements from your tender. Finally we have found the right solution that we think would satisfy your requirements, but we need more weeks to prepare it since we have lost time until we found the right partner for this project. We ask you for an extension of 3 weeks more if possible.*

*We wait for your decision, hoping that you could postpone this tender until we could prepare a satisfactory offer for your interests."*
