SUBJECT: Extension and Clarifications (part 1) regarding the tender for the Procurement of exhaust system spare parts for the Terberg Tractors: YT 182 and YT 193 of Engineering Dep

Interested parties are kindly requested to refer to all additional information and/or clarifications provided by PPA S.A., regarding the questions received so far in relation to the subject tender.
The said replies constitute an integral part of the Invitation.

QUESTION 1:

"... we would like to point out that the p/n CU 5315532 (Device After Treatment) for the tractor YT 182 appears to be obsolete. Based on your previous similar Tender conducted on February 14, a proposal for its replacement may consist of the following parts:

1. Device After Treatment, p/n CU 4328921, 1 pc
2. Clamp, p/n CU 4328742, 1 pc, and
3. Clip, p/n CU 2871507, 1 pc

Please advise if it is acceptable to quote for the above 3 p/n's instead.

Please also grant us a deadline extension of three (3) working days, i.e. until Thursday, July 10. ..."

ANSWER 1.1:

It is not acceptable to quote only for the above 3 p/n's instead. The requested "DEVICE AFTERTREATMENT, CU 5315532" divided as follows:

A/A	DESCRIPTION	PART NUMBER	QUANTITIES (TEM)
*	DEVICE AFTER TREATMENT (ASSY*)	CU 5315532*	*ASSY (total 17 pcs - part numbers & quantities according to the below list)
1	Clamp,T Bolt	CU4328742	1
2	Soot Filter	4328921	1
3	Band Clamp	CU2871507	1
4	Temp.Sensor	CU4326868RX	1
5	Core	CU4326872D	1
6	Piece Of Connection	4329507	1
7	Clamp Wire Tie	4329723	1
8	Clip	4377687	3
9	Screw	CU4394441	4
10	Hexagon Head Bolt	CU4394445	2
11	Temperature Switch	CU5461628	1

It is clarified that is acceptable to quote for all the above part numbers & respective quantities, in total.

ANSWER 1.2.:

Please be informed that an extension of the tender deadline **until 10/07/2025** is granted.
