SUBJECT: Clarifications (part 1) regarding the tender for the procurement of eight (8) 2,5 ton electric forklift trucks for the needs of Cruise Terminal of PPA

Interested parties are kindly requested to refer to all additional information and/or clarifications provided by PPA S.A., regarding the questions received so far in relation to the in subject tender.

The said replies constitute an integral part of the Invitation.

QUESTION 1:

“... we would like to kindly request the following clarification: In the section referring to dual batteries and dual chargers for the proposed electric forklifts, could you please confirm whether this requirement means that each of the eight (8) forklifts should be supplied with two (2) battery packs and two (2) chargers, or if it refers to one additional spare battery pack and one spare charger to be provided in total, as mentioned in the spare parts section?...”

ANSWER 1:

In reply to your question, please note the following:

1. There is **no** section in the tender document “referring to **dual batteries and dual chargers for the proposed electric forklifts**”
2. In ANNEX A of the published Invitation : “TECHNICAL DESCRIPTION” it is clearly mentioned that: “***It is clarified that additional to the above, an extra charger (spare) and an extra battery (spare) should be delivered in total, accompanied with all proper equipment for charging***”
